

The Jodi Project

presented by

Volume 1, No. 6

To continue Jodi's total body sculpting process, Dr. Young used the **SlimLipo™** laser to shape and contour Jodi's inner and outer thigh areas. Now, Jodi's legs complement her slimmer belly and waist and fuller bustline.

Dr. Young has performed over **1000 laser lipo procedures** to date and is consistently one of the top two **SlimLipo™** physicians in the United States.
