

The Jodi Project

presented by

Volume 1, No. 5

Before Photo

In order to get her legs ready for summer shorts and swimwear, Jodi first had to take care of some unsightly leg veins.

Dr. Young treated some of Jodi's leg veins with the **Palomar Lux1064** laser, while the more prominent vessels were treated with **Sclerotherapy**.

To complete her clean and smooth new legs, Jodi underwent laser hair reduction with the **Alma SopranoXL Pain-Free** laser in a series of treatments.
